Dear Soren:

Re: BNS 2020-21 financial statements

I have reviewed the financial statements of the Blomidon Naturalists Society for the 2020 - 2021 fiscal year, including the balance sheet and income and expense report. On November 29, 2021, I discussed the financial statements with Gary Dunfeld, who acts as bookkeeper for the Blomidon Naturalists Society. Gary was able to address all questions I raised and provided additional detail on entries. The financial statements appear in order.

Sincerely,
